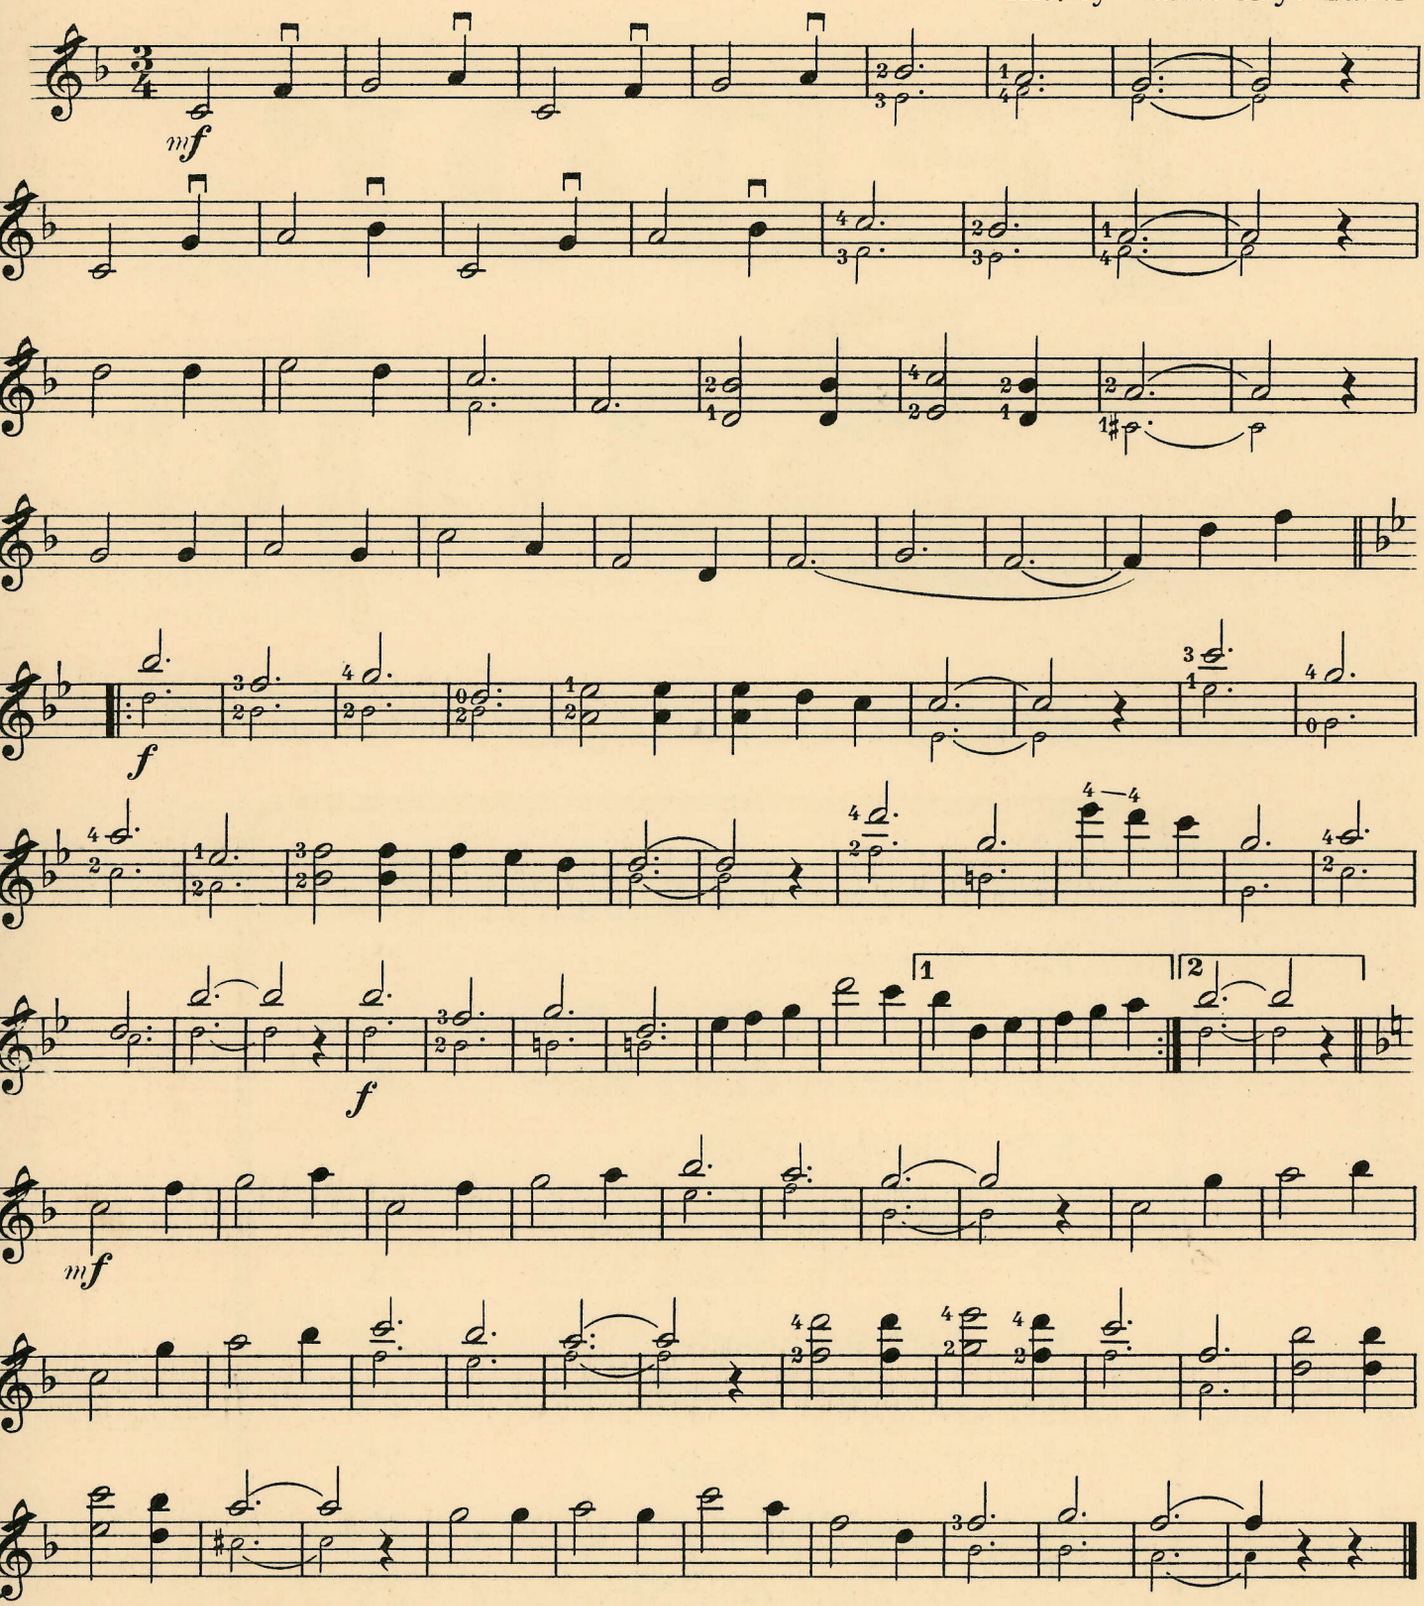
The Merry Widow

WALTZ

TENOR BANJO
(Solo)

FRANZ LEHAR
Arr. by Walter Kaye Bauer



The Clef indicated in this manner indicates that the Tenor Banjo sounds one octave lower than written. This is called Universal Notation.

Chords written in this manner are executed by sliding the plectrum from the lower note to the higher and playing only the upper note with the tremolo. The finger playing the lower note however, must remain on that note for it's full time value.

V. Ed. 503 – 5
